

# Natural and organic cleaning products

## Organic white alcohol vinegar Food grade, 8% acidity

No artificial flavour, no preservative and no additive.

### Vinegar formula:

1/4 litre of vinegar  
3/4 litre of water.

### To have sparkling glasses and dishes:

If the water is hard (limestone water)  
1/2 glass at the end of the cycle of the dishwasher.

### To clean dirty sponges:

Leave them to soak in the vinegar formula.

### To keep fridge clean:

Use a microfiber soaked in vinegar.

### To have sparkling windows:

Use vinegar formula in a spray.

### To remove limescale of the Keettle:

1/2 glass of vinegar  
If needed add 1/2 litre in the kettle. Boil and leave it 30 minutes, then rinse.

### To remove limescale of the Washing machine:

1/2 litre of vinegar  
Turn the machine on to a full cycle.

### To unblock and clean a sink drain.

Put 4 or 5 TS of bicarbonate of soda in the hole of your sink, add white vinegar on top. Wait few minutes and rinse.

### Beauty product:

Rinse you hair with some vinegar, your hairs will shine more.
