

Natural and organic cleaning products

General Cleaning formula:

1 Table Spoon (TS) of olive oil soap in 2 litres hot/warm water.

You can use it to clean, tiles, enamel, floor, etc.

Multipurpose cleaner:

For more stained and greasy surface

1 TS of olive oil soap
2 glass of vinegar
4 glass of hot/warm water

You can add 10 drops of essential oil of your choice.

Use it as it is, on a sponge or in a spray.

This is very good for cookers, windows, sinks, bathrooms, etc.

In the garden:

2 TS of black soap
1 litre of hot/warm water

To protect your roses, flowers, plants, you can also spray the General Cleaning formula to get rid of unwanted insects.

Find all formulas in the booklet "DIY, Make your own cleaning products".
